# Course Introduction

This is the Course Introduction for both the Instructor Manual and Student Manual. To edit this, please go to Content Explorer > Introduction.htm. Replace this text with your own content.

The Course Introduction will use the IntroductionInstructor page layout for the Instructor Manual, and the IntroductionStudent page layout for the Student Manual.

This template is designed to have the Instructor Manual contain all of the Content for both the instructor and the student. The Student Manual is intended to only contain the content that pertains to the student.
